Why are you interested in a plot in the Community Garden?

Why would you be a good fit for the Community Garden?

What sort of gardening experience do you have? (Lack of gardening experience does not disqualify you from renting a plot)

If you are interested in receiving a rent-free scholarship plot, please explain why you should be considered for a scholarship plot.

I have read the Contract, Garden Rules, and Enforcement Requirement thoroughly and agree to all terms and conditions should I receive a plot in the community garden.

Date _____

**A start date for the garden has not yet been solidified. Once a date is secured, applicants will be notified. All applicants will not necessarily receive a plot. Beginning in 2017, the garden will operate on a calendar year rental. Once a start date is set for 2016 plots, you will be notified of the price for renting the remainder of the year.
