

**Hub City Farmers' Market is excited to announce that we are continuing our HCFM "Farm Bag" program this Summer!**

Participants receive weekly shares of local produce for 8 weeks at a discounted price. This program supports local farmers, including HCFM's Urban Farm.

This year we're encouraging our participants to try new items! Participants will receive a random assortment of available produce and value-added goods along with recipes that correspond to the items in the bag so that you can try out new items and meals!

Pick up day will be Tuesdays, from July 18- Sept. 5, from 2:00 – 6:00 pm each week at the Train Depot (298 Magnolia St.). For organizations with 5 or more shares within the city limits, HCFM will deliver to your location. All participants must sign the attached customer agreement. If you have any questions, please email ([info@hubcityfm.org](mailto:info@hubcityfm.org)) or call us at 864-585-0905.

Thank you for your interest in Hub City Farmers' Market Farm Bag. We appreciate your support and continued patronage!
